

Glimpse of the school

Session 2025-26

Tech Lab of Learning (DIY Lab)

School has developed digital (robotic) learning tools that facilitate self-directed learning among students by providing instant feedback, thereby helping them identify, understand, and correct their mistakes in real time.

Students have learned various concepts across Social Science, Science, Mathematics, and English through these digital (robotic) learning tools. These tools are designed to respond to students' inputs, providing immediate feedback to enhance understanding.

National Level Achievement

Speech At Parliament House, New Delhi

Nidhi, a Class IX student of GMHS Dadumajra, was selected to participate in the Know Your Leaders programme held at Parliament House on 25th December 2025. The event commemorated the birth anniversaries of Atal Bihari Vajpayee and Madan Mohan Malaviya. On this occasion, Nidhi delivered a speech on Pandit Madan Mohan Malaviya Ji in the presence of Om Birla and Utpal Kumar Singh, which was highly appreciated.

Special Guest in Republic Day Celebration from Atal innovation Mission

Two top-performing students from GMHS Dadumajra, Chandigarh, were selected for their outstanding performance in the School Innovation Marathon and were invited by NITI Aayog to witness the Republic Day Parade in New

Delhi. This opportunity brought great pride and recognition to the school as well as the Gyan Shakti Whole School Transformation Program – Chandigarh. Two teachers accompanied the students to ensure their guidance and safety throughout the event. The experience proved to be highly inspiring and motivating, encouraging students to pursue innovation, excellence, and a strong sense of national pride.

Two projects of Students participate in 52nd Rashtriya Bal Vigyan Pardarshni at Bhopal

The school participated in the 52nd Rashtriya Bal Vaigyanik Pradarshani held in Bhopal from 18th to 22nd November. A total of three students represented

the institution with two innovative science projects. The institution achieved a remarkable distinction by being the only one from Chandigarh to have two projects selected for the national-level exhibition. The students showcased their scientific skills, creativity, and problem-solving abilities through their projects.

Student Name:- Nidhi & Sarika, Class 9th Student Name:- Suraj & Vansh, Class 9th

Inspire Award Scheme:-

Student Name :- Arjun Kumar , Class 10th , Jatin , Class 10th

Overall Best Trophy Won in 53rd Rajyasatriya Bal Vigyan Pardarshni under Elementary category

Eight students participated in the Rajya Stariya Bal Vaigyanik Pradarshani held at SCERT Chandigarh from 2nd to 5th December 2025. A total of 568 projects from 116 schools took part in the exhibition. The students achieved a remarkable accomplishment by securing the Overall Best Award in the Elementary Category, highlighting their innovation and scientific excellence.

Bharat Scout and Guide team participated in Jhumri at Luknow 19th National Jamboree of the Bharat Scouts and Guides

Four girls of Class VII along with Ms. Jai Lakshmi(District Organising Commissioner, Guide) represented the school at the 19th National Jamboree of the

Bharat Scouts and Guides held at Lucknow from 23–29 November 2025, celebrating the Diamond Jubilee of Indian Scouting and Guiding with over 32,000 participants under the theme “Developed Youth, Developed India,” which helped them develop leadership, confidence, teamwork, cultural awareness, and a strong sense of national integration.

Jaadui Pitara Competition

Government Model High School, Dadumajra participated in the Cluster Level Jaadui Pitara Competition held on 20 December 2025 at GMSSS Sector 38 West, Chandigarh, where six schools showcased innovative Jaadui Pitaras designed for children aged 3–8 years, and the event was graced by Ms. Neerja Jain (HM) and Ms. Renu Soni (CRC) who encouraged the participants.

Reading Mela

A Reading Mela was organized on 16th October 2025, with active participation from over 100 students of Classes 1 to 9 and 25 teachers. The event featured engaging bilingual (English and Hindi) activities such as poem recitations with actions, skits, plays, and demonstrations of geometric figures. These activities helped enhance students' language skills, confidence, and creativity.

Bal – Mela

On 16th October 2025, Bal Mela was celebrated with great enthusiasm in the presence of distinguished guests including Ms. Palwinder Kaur, Ms. Tejvir Kaur, Ms. Renu Soni, and Ms. Arvinder Kaur. The event began with delightful performances by young students, who presented rhymes with expressive actions, captivating the audience with their confidence and charm. Special attractions like “Jadoo Ka Pitara” and a colorful puppet show added excitement and joy to the celebration. A variety of teaching aids were also displayed, focusing on language, cognitive, physical, aesthetic, and socio-emotional development, along with moral values. The activities highlighted play-based, activity-based, and

multilingual learning approaches. Overall, the Bal Mela was a vibrant and memorable event that beautifully combined learning with fun and creativity.

Sport Day of Pre-Primary Classes

Science Mathematics Club Activity

Science Exhibition

Science Exhibition was conducted where students performed various experiments like the iodine test to detect starch in food items and testing whether substances were acidic, basic, or neutral. They also displayed creative models and exhibits, including solar system models, sound amplifiers, and other innovative projects, showcasing their scientific understanding and problem-solving abilities.

Quiz Competition

As part of the Children's Day celebrations, an Intra-School Quiz Competition was organized with great enthusiasm and participation. Students from different classes showcased their knowledge, quick thinking, and teamwork through

various exciting rounds. The event fostered a spirit of healthy competition, enhanced general awareness, and provided a joyful learning experience for all. The winners were applauded for their excellent performance, making the competition a memorable highlight of the celebrations.

Visit to Kurukshetra

To enhance students' scientific knowledge and foster curiosity, an educational visit to the Kalpana Chawla Memorial Planetarium and Science Centre in Kurukshetra was organized. The students explored various scientific exhibits, interactive displays, and educational activities that helped them better understand scientific concepts in an engaging manner. The visit proved to be both informative and inspiring, enriching their learning experience beyond the classroom.

Visit to Japanese Garden

An educational visit to the Japanese Garden, Chandigarh, was organized for the pre-primary students. The children thoroughly enjoyed exploring the beautiful surroundings, colorful flowers, and unique garden features. The visit provided them with an opportunity to connect with nature, learn about different plants, and spend quality time outdoors. It was a joyful and enriching experience that created lasting memories for the young learners.

Atal Tinkering Lab Achievements

- Students name Rajni selected in Top 150 in School Innovation Marathon
- Two Projects selected in Top 1000 Category.
- School Selected as Spotlight School in Viksit Bharat Buildathon 2025
- 23 projects Participated in Buildathon 2025.

School Innovation Council:-

The School Innovation Council (SIC) Portal remained active throughout the year, providing students with opportunities to showcase their innovative ideas and projects. Through active participation on the portal, two student projects were selected for the next level, bringing recognition and pride to the school.

Eco Club Mission for Life

Various activities were organized throughout the year under the Eco Club and Mission LiFE initiative to promote environmental awareness and sustainable living among students. These included tree plantation drives, plant surveys, cleanliness campaigns, and other eco-friendly activities. Through active participation, students developed a sense of responsibility towards nature and learned the importance of conserving and protecting the environment.

Tree Plantation under Mission for Lif

Graduation Ceremony

The Pre-Primary Wing of Govt. Model High School, Dadu Majra, Chandigarh, organized the Bal-Vatika I, II & III Convocation and Result Declaration

Ceremony on 27th March 2026 under the theme “New Chapter, New Goals.” The event celebrated the academic achievements and holistic development of the young learners as they prepared to move to the next stage of their educational journey. Students were awarded assessment cards, certificates, sashes, rosettes, and graduation caps, making the occasion both memorable and inspiring. The school premises were beautifully decorated, and a creative selfie corner added to the festive spirit. The children enthusiastically participated in various activities and performances, while parents appreciated the opportunity to interact with teachers regarding their children's progress. The ceremony concluded with words of encouragement and best wishes from the dignitaries and staff, reaffirming the school's commitment to nurturing confident, creative, and lifelong learners.
